

DOMINATOR® ECONOMY PRY BARS

PART NO. 31090, 31091, 31131HT,
31132HT, 31133HT, 31134HT

New single composite, ergonomic handle pry bars now available, individually or as sets, in the Dominator® Pry Bar Series. This new Dominator Economy Curved Pry Bar Series provides users with the same high-quality features that the Dominator pry bar line is known for, offering a variety of sizes suited to project scope at a value price point option.

- Lightweight and versatile
- Ideal for any lifting or prying applications
- The Three-piece sets are offered in clamshell packaging
- Individual pry bars are offered with a sturdy hang tag

Each pry bar offers a black oxide finished blade to help prevent rust and reinforce long-lasting toughness. All Dominator Economy Curved Pry Bars are made in the U.S.A and backed by a lifetime warranty.

CAPPED END

Capped end allows for striking without damaging the handle and serves as a shock absorber, reducing hand fatigue.

MAXIMUM DURABILITY

Hardened and tempered alloy steel shaft runs from the cutting edge through the handle to deliver maximum durability and prying power
